Dear Mr. Sidlofsky:

**Re: London Hydro Inc. – 2009 Distribution Rate Application
Board File No. EB-2008-0235**

The Ontario Energy Board received a letter dated March 4, 2009 from yourself as counsel for London Hydro Inc. (the "Applicant") requesting changes to the timelines established in Procedural Order No. 1. Counsel for the Applicant has requested that: i) responses to interrogatories, originally due March 6, 2009, be filed by March 20, 2009; and ii) in light of the delay in the receipt of interrogatory responses, the technical conference scheduled for March 26, 2009 be deferred until the week of April 27, 2009.

The Board has considered and grants the request for the delay in the interrogatory responses to March 20, 2009, and also cancels the technical conference scheduled for March 26, 2009. The Board will communicate further steps in the process to consider the Applicant's 2009 rate application by way of a further Procedural Order, to be issued in due course.

Yours truly,
