Dear Ms. Walli:

**Re: Consultation on Distribution Revenue Decoupling
Board File No.: EB-2010-0060**

The Ontario Power Authority (“OPA”) is generally supportive of policy initiatives that could promote provincial CDM goals and has been an interested observer in the proceedings regarding the above noted matter. We note that Board Staff intend to prepare a Discussion Paper, based on the proposals contained in the PEG Report and the written comments of stakeholders. Although the OPA has no comments at this time, we look forward to participating actively in the subsequent steps in this consultation process.

Yours truly,
