Dear Ms. Tackaberry:

**Re: Multi-year Electricity Distribution Rate Setting Plan  
2011 Electricity Distribution Rates - EB-2010-0143**

The Board is in receipt of your letter dated August 27, 2010. Wasaga Distribution Incorporated is currently expected to file for a cost of service rate review for the 2011 rate year. Your letter requested deferring this filing indefinitely.

The Board recognizes Wasaga's current circumstances as outlined in your letter, and grants a one year deferral of your next cost of service application. In the event that Wasaga wishes to seek a further deferral of its next cost of service rate review, the Board expects Wasaga to update the Board by correspondence similar to its August 27, 2010 letter.

In granting this request, the Board will expect Wasaga to adhere to the process for 2011 incentive regulation distribution rate applications as may be determined by the Board.

Yours truly,
