**RE: Developing Guidance for the Implementation of Smart Grid in Ontario – Board File  
No. EB-2011-0004**

Regarding the Board letter seeking expressions of interest from those who would like to participate in the proposed Smart Grid Work Group, I would like to represent Electrical Safety Authority.

Here is a brief statement of my background and experience:

*A Professional Engineer and a LEED Accredited Professional. Have an extensive background as a consulting Engineer having worked in industry for the last 15 years. As the Supervisor for Codes and Standards in ESA, accountable for the development of Codes and Standards, as well as the development of bulletins, guidelines, and technical communication concerning Ontario Electrical Safety Code, Regulation 22/04, Product Safety Standards and other relevant codes and standards.*

Regards

Nancy Hanna P.Eng  
Electrical Safety Authority
