Kirsten Walli
Board Secretary
Ontario Energy Board,
2300 Yonge St.
Suite 2700, P.O. Box 2319
Toronto, Ontario
M4P 1E4

Dear Ms. Walli:

**Re: Oakville Hydro Electricity Distribution Inc.
Developing Guidance for the Implementation of Smart Grid in
Ontario – Board File No: EB-2011-0004**

Oakville Hydro Electricity Distribution Inc. (Oakville Hydro) is interested in participating in the Smart Grid Working Group (SGWG). Oakville Hydro wishes to nominate Jeff Mocha to represent Oakville Hydro.

Jeff holds the position of Manager, Control Room and Protection & Control at Oakville Hydro, and is a registered Professional Engineer. Jeff is currently responsible for asset management of substations, Remote Terminal Units (RTUs), and the Supervisory Control and Data Acquisition (SCADA) system at Oakville Hydro. Jeff is also the project manager for the new Oakville Hydro owned transformer station under construction in North Oakville.

Jeff has played a lead role in the development of a corporate asset management model, an outage management system, and asset management capabilities and is now involved in preliminary research into a Smart Grid strategy for Oakville Hydro.

Oakville Hydro believes that Jeff will be a valuable addition to the SGWG.

Respectfully Submitted,

Maryanne Wilson
