Subject: Fort Albany Power Corporation's Application for Rates for the 2012 Rate Year
Direction Regarding Filing – Cost of Service
Board File No. EB-2010-0127

Please be advise that we have contacted our legal counsel, Richard King of Ogilvy Renault to file our Application for Rates for the 2012 on behalf of Fort Albany Power Corporation with respect to Board File No. EB-2010-0127 as per letter submitted by Ontario Energy Board.

By way of this letter, Fort Albany Power Corporation intends to file the Rate Application for Cost of Service for the period of May 01, 2012 to April 03, 2013. We have therefore instructed Richard King of Ogilvy Renault to file and notify the OEB before April 30, 2011.

I hope the above is sufficient and that appropriate date for Rates 2012 on Cost of Service will be put into consideration with respect to Rate Application and the deadline of April 30, 2011.

Yours truly,

John-Paul Nakochee
