Dear Ms. Walli:

Re: Atikokan Hydro Inc. ("Atikokan Hydro") 2012 Cost of Service Rate Application EB-2011-0293

Atikokan Hydro is scheduled to file a Cost of Service Rate Application for 2012 Electricity Distribution Rates and remains committed to submitting a complete application that conforms to the most recent filing requirements issued by the Board.

In order to prepare a thorough application Atikokan Hydro sincerely regrets that we will not be able to meet the August 26, 2011 filing deadline. Atikokan Hydro will continue to work diligently to submit the application at the earliest possible date.

The addition of new OEB [EB-2010-0219] requirements as well as the PILs calculator not working contributed to our not meeting the August filing date.

Sincerely

A handwritten signature in black ink that reads 'Wilf Thorburn'.
