Dear Ms. Walli:

**Re: Wellington North Power Inc. – Further Delay in Filing
2012 Cost of Service Application EB-2011-0249**

On August 15, 2011 Wellington North Power Inc. filed a letter with the Board regarding the delay in filing the company's 2012 Cost of Service Application. The company expected to file the Application by September 30, 2011.

Unfortunately, due to circumstances beyond our control, there will be a further delay in the filing of the company's 2012 Cost of Service Rate Application. Loss of key financial staff, advertising and screening of new candidate has taken longer than expected. The process has now been completed, however, we do not expect to have the position filled for at least another two weeks and possibly three weeks.

The company will make every possible effort to file the 2012 Cost of Service application as soon as possible.

If the Board has questions or concerns regarding this matter please contact jrosebrugh@wellingtonnorthpower.com or call 519-323-1710.

Yours truly,

Judy Rosebrugh President & CEO
