**Re: Entegrus – Chatham-Kent 2012 3rd Generation IRM Rate Application
Decision and Order Acceptance
Board File No.: EB-2011-0163**

Dear Ms. Walli,

Entegrus Powerlines Inc. (“Entegrus”) has reviewed the Board’s Decision and Order issued on March 22, 2012 in the above noted file. Pursuant to Paragraph 2 on page 12 of the Decision and Order, Entegrus confirms that the rates contained in the draft Tariff of Rates and Charges as shown in Appendix A is complete and accurate.

Entegrus would like to note that the “Principal Balance” of Account 1568 contained in the Group 1 disposition chart on page 9 of the Decision and Order should read \$250,110. This change does not affect the amount in the “Total Claim” column, or the rate rider contained in the Tariff of Rates and Charges.

Entegrus respectfully requests the Tariff of Rates and Charges be updated for its recent name change from “Chatham-Kent Hydro Inc.” to “Entegrus Powerlines Inc. – Chatham-Kent” to better align with its license.

If you have any further questions, please do not hesitate to contact me at (519) 352-6300 extension 243 or via email at regulatory@ckenergy.com.

Sincerely,
