**Re Milton Hydro Distribution Inc., Distribution Licence ED-2003-0014
2012 IRM3 Electricity Distribution Rate Application
EB-2011-0183
Tariff of Rates and Charges**

Milton Hydro Distribution Inc. ("Milton Hydro") has reviewed the Ontario Energy Board's ("OEB") Decision and Order and the accompanying Tariff of Rates and Charges. Milton Hydro confirms the completeness and accuracy of the Tariff of Rates and Charges being consistent with its 2012 IRM3 Application as adjusted per the Decision and Order.

Milton Hydro would also advise the OEB that the Global Adjustment Rate Rider will be incorporated into the Delivery Charge effective May 1, 2012, as opposed to May 1, 2013 allowed in the Decision and Order. Milton Hydro did not expect the OEB to permit Milton Hydro to continue to reflect the Global Adjustment Rate Rider as a separate line item along with the Global Adjustment itself and has therefore resolved the issues of rolling the charge up into the Delivery Charge for Non-RPP customers.

Should you require further information or clarification please contact me at 905-876-4611 ext. 246 or cameronmckenzie@miltonhydro.com.

Yours truly,
