Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2012-0064 – THESL 2012-2014 IRM – Technical Conference

Pursuant to Procedural Order #3, this letter is to provide notification to the Board and Toronto Hydro-Electric System Limited (“THESL”) that the School Energy Coalition (“SEC”) intends to seek clarification at the Technical Conference on evidence and interrogatories responses relating to issues 1.2, 1.3, 1.4, 2.1, 2.2, 2.4 and 4.2.

To aid THESL in its preparation, SEC will seek clarification on the following specific areas and evidence, but that does not preclude the possibility of asking additional questions in other areas.

- Manager’s Summary
- Letter to the Board, dated October 31, 2012
- Recognition of 2011 year-end rate base
- THESL’s approach to the ICM
- THESL’s approach to capital planning and spending
- Project prioritization
- Underground Infrastructure and Equipment
- Overhead Infrastructure and Equipment – Overhead and Rear Lot Construction
- Station Infrastructure and Equipment – Stations Circuit Breakers
- Bremner TS
- Hydro One capital contributions
- Fleet capital
- Implementation and effective date
- Future applications
