Ontario Energy Board  
2300 Yonge Street, Suite 2700  
Toronto, ON M4P 1E4

Dear Ms. Walli,

Re: **EB-2011-0140 – East West Tie Designation Proceeding**

We are writing to request that Philip Hanser be given access to the unredacted versions of confidential documents filed with the Board by Great Lakes Power Transmission LP (“GLPT”) and Hydro One Networks Inc. (“HONI”) in this proceeding. Mr. Hanser is an external consultant to the Ojibways of Pic River First Nation (“PRFN”) and will be assisting the PRFN in reviewing the Applications filed by the transmitters and preparing interrogatories thereon.

In order to assist and provide appropriate advice to PRFN and its counsel, Mr. Hanser requires access to the confidential information in the same manner as other external consultants have been granted such access in this proceeding.

As indicated in the executed Declaration and Undertaking enclosed, Mr. Hanser has read, understood, and agreed to be bound by the terms of that document and the Board's *Practice Direction on Confidential Filings*.

Yours very truly,

HARRISON PENSA<sup>LLP</sup>
