Re: 2014 Rate Rebasing

Dear Ms. Walli:

Renfrew Hydro Inc. ("Renfrew Hydro") is included on the 2014 Rebasing List. Due to a recent retirement of our senior financial executive, we request to select the Annual Incentive Rate-setting index method in lieu of a cost of service rate application for 2014 rates.

If permission is granted, Renfrew Hydro Inc. plans to apply for its 2015 rates using the 4th Generation IR filing requirements.

- All of which is respectfully submitted -

Truly,

Tom Freemark
President
