

EB-2012-0153

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Northern Ontario Wires Inc. for an order approving just and reasonable rates and other charges for electricity distribution to be effective May 1, 2013.

**PROCEDURAL ORDER NO. 2
AND
ORDER FOR INTERIM RATES**

April 4, 2013

Northern Ontario Wires Inc. ("NOW") filed a complete application (the "Application") with the Ontario Energy Board (the "Board") on December 18, 2012 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that NOW charges for electricity distribution, to be effective May 1, 2013.

In Procedural Order No. 1, issued on February 1, 2013, the Board set dates for interrogatories and interrogatory responses.

After reviewing the responses to the interrogatories, the Board has determined that provision should be made for supplemental interrogatories for the purpose of clarifying the existing interrogatory responses filed by NOW. The Board encourages parties to use a continuous numbering system that starts from the last number utilized by the intervenor, modified with the addition of the letter "s". The reference tag for the supplemental interrogatory would be the original tag of the interrogatory in question. For example, a supplemental interrogatory regarding the response to interrogatory "1-Staff-2" would be tagged "1-Staff-49s" beneath which "Ref: 1-Staff-2" would appear.

The Board has also decided that it will convene a settlement conference.

Interim Rates

In the Application, NOW requested an effective date of May 1, 2013.

The Board is prepared to make NOW's current approved rates interim pending the outcome of this proceeding. This determination is made without prejudice to the Board's Decision on NOW's Application, and should not be construed as predictive, in any way whatsoever, of the Board's final determination with regards to the effective date for NOW's rates arising from this Application.

The Board considers it necessary to make provision for the following matters related to this proceeding. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. Intervenors and Board staff who wish to ask questions that relate to the existing interrogatory responses filed by NOW shall file written supplemental interrogatories with the Board and deliver a copy to NOW on or before **April 12, 2013**.
2. NOW shall file with the Board complete responses to the supplemental interrogatories and deliver them to the intervenors no later than **April 19, 2013**.
3. A Settlement Conference will be convened on **May 2, 2013** starting at 9:30 a.m. in the Board's offices at 2300 Yonge Street, 25th floor, Toronto, with the objective of reaching a settlement among the parties on the issues. If necessary, the Settlement Conference will continue on **May 3, 2013**.
4. Any Settlement Proposal arising from the Settlement Conference shall be filed with the Board no later than **May 21, 2013**. In addition to outlining the terms of any settlement, the Settlement Proposal should contain a list of any unsettled issues, identifying those issues that the parties believe must be dealt with by way of oral or written hearing.

All filings to the Board must quote the file number, EB-2012-0153, be made through the Board's web portal at <https://www.pes.ontarioenergyboard.ca/service/>, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at <http://www.ontarioenergyboard.ca/OEB/Industry>. If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.

With respect to distribution lists for all electronic correspondence and materials related to this proceeding, parties must include the Case Manager, Silvan Cheung at Silvan.Cheung@ontarioenergyboard.ca and Board Counsel, Michael Millar at Michael.Millar@ontarioenergyboard.ca.
