RE: Collus PowerStream Corp. (License ED-2002-0518)
2014 Electricity Distribution Rates Application EB-2013-0121

Collus PowerStream Corp. (Collus) requests an extension to the filing deadline of October 25, 2013 to November 25, 2013 for its application for rates effective May 1, 2014. This is an Incentive Regulation Mechanism (IRM) rate filing and requires the final approved 2013 Cost of Service (COS) rates and amounts.

Collus is waiting for a Decision and Approved Rate Order on its 2013 COS Electricity Distribution Rates Application. Collus filed a Settlement Proposal and Draft Rate Order on September 30, 2013.

Collus PowerStream will endeavor to file its 2014 IRM application as soon as possible after receipt of the approved 2013 rates. Collus anticipates that it will be able to file the 2014 rate application on or before November 25, 2013.

If you have any questions please do not hesitate to contact the undersigned at gmcallister@collus.com or (705)445-1800 ext. 2274.

Yours truly,

Original signed by Glen McAllister
