Dear Ms. Thompson:

The Ontario Energy Board has received the resolution adopted by Elgin County Council at its meeting on June 10, 2014 regarding the recovery of penalty charges by Natural Resource Gas. The Board will place the resolution on the record of the NRG proceeding (Board File No. EB-2014-0053). Any personal contact information will be removed.

The resolution will also be provided directly to the Board panel who will be deciding the case. The Board panel will consider the contents of the resolution if it relates to issues which are within the authority of the Board and are relevant to the issues being considered.

If you want a response from the applicant, please ensure that you have provided a copy of the resolution directly to NRG.

You will receive a copy of the Board's decision when it is released.

Yours truly,
