File number: EB-2011-0043

**RECEIVED**

**AUG 08 2014**

**ONTARIO ENERGY BOARD**

Dear Ms. Walli,

I wish to put forth Mr. Irv Klajman, P. Eng., for membership on the Regional Planning Standing Committee at the Ontario Energy Board on behalf of PowerStream Inc.

Mr. Klajman has worked in the energy sector since 1987, and is currently PowerStream's Director of Asset Investment Planning. As a member of the senior management team, Mr. Klajman is responsible for leadership within the Asset Investment Planning group, encompassing system planning, geographic information systems, station design and construction. His responsibilities also include short and long term planning, distribution system plan and rate support, capital portfolio management and asset condition assessment. Mr. Klajman has also been a participant in regional planning initiatives since 2006.

PowerStream supports the practice of regional planning and believes that it allows us to identify efficiencies and generate greater value for rate payers out of the province's distribution system. PowerStream staff are leaders in innovation and we pride ourselves on acting as trusted advisors to customers and industry stakeholders. Many members of our staff are very active in the energy sector, holding positions in working groups, on boards and on committees. Being heavily involved in industry groups allows PowerStream to remain at the forefront of energy related matters and allows us to better serve our customers as we all adapt to the shifting landscape of the energy sector.

I believe that Mr. Klajman's expertise in regards to system planning and his knowledge of the sector as a whole will be invaluable to this new Regional Planning Committee, and that his participation would further enhance PowerStream's commitment to better serving our customers through knowledge-sharing and innovation.

Please accept my nomination of Mr. Irv Klajman for the Regional Planning Standing Committee at the Ontario Energy Board.

Yours truly,

A handwritten signature in blue ink, appearing to read 'Colin MacDonald', is written over a large, faint blue lightning bolt graphic that serves as a background for the signature area.

Colin MacDonald  
Senior Vice President, Regulatory Affairs & Customer Service, PowerStream Inc.
