Dear Ms. Walli:

EB-2011-0043 – Regional Infrastructure Planning – Establishing the Regional Planning Standing Committee (“RPSC”) – Hydro One Networks Inc. Nomination to Participate in RPSC

In response to the Ontario Energy Board’s (the “Board”) July 25, 2014 letter to all licensed electricity distribution, transmitters, IESO and other interested parties, Hydro One Networks Inc. (“Hydro One”) is requesting to participate in the *Regional Planning Standing Committee* (“RPSC”). Hydro One has set out its nomination below.

Name of Nominee: Bing Young

Stakeholder Interest: Electricity Transmitter

Focus of Interest: Provincial

Relevant Experience:

Mr. Young is the Director of System Planning at Hydro One and is responsible for the overall planning of new or modified transmission facilities at Hydro One. He has participated in the Process Planning Working Group (“PPWG”) that developed the Regional Planning process endorsed by the Board. He has represented Hydro One on Northeast Power Coordinating Council (“NPCC”) task forces and is currently a member of the Planning Committee at the North American Electric Reliability Corporation (“NERC”) Planning Committee.

Mr. Young is a registered Professional Engineer in Ontario, holds a Master of Engineering from the University of Toronto and has more than 25 years of experience in power system planning and

operations both with Hydro One and with the OPA. Mr. Young was Director of Transmission Integration at the OPA from 2006 to mid-2009.

Mr. Young was an active member of the PPWG and his group is responsible for the Regional Infrastructure Planning activities at Hydro One. Representing the lead transmitter in 19 of 21 regions, Mr. Young will be able to share our experiences and issues encountered and he will be able to offer suggestions for improving the Regional Planning process.

Hydro One looks forward to participating on RPSC for the Regional Planning Process.

Sincerely,
