Re: Regional Infrastructure Planning – Establishing the Regional Planning Standing Committee (“RPSC”) / Board File Number: EB-2011-0043

Dear Ms Walli,

APPRO would like to nominate our President, David Butters, as a representative of generators to serve as a member of the RPSC as outlined in your letter of July 25.

Mr. Butters has represented generators in a range of regulatory and policy settings in Ontario for more than ten years. As you may be aware, Mr. Butters is also one of the generator representatives on the IESO Stakeholder Advisory Committee. Our Board of Directors has recommended that he be nominated to be a member of the Regional Planning Standing Committee (“RPSC”).

He would have a provincial focus of interest covering all of the 21 regions.

Please let me know if you would like further information on the background and/or qualifications of Mr. Butters.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jake Brooks', written in a cursive style.
