Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, Ontario M4P 1E4

Dear Ms. Walli:

**Re: Natural Resource Gas Limited (“NRG”)
April 1, 2014 QRAM – Phase 2 Proceeding
Board File No.: EB-2014-0053**

NRG hereby requests an oral hearing to argue the issues raised in the above-captioned Phase 2 Proceeding. The justification for this request is based on the complexity of the issues and the significance of the outcome to NRG and its customers.

In its Notice of November 17, 2014, the Board has invited participants to its Stakeholder Conference on December 3 and 4, 2014. The Board refers to two reports prepared by consultants engaged by Board Staff on how the “underlying drivers of QRAM were affected by market conditions and prices over the winter 2013/2014”.

NRG hereby requests the two reports and time to consider their significance for this proceeding.

Thank you for your consideration of these matters.

Yours very truly,
