Dear Mr. Lippold:

**Re: Natural Resource Gas Limited
April 1, 2014 QRAM – Phase 2 Proceeding
Board File No. EB-2014-0053**

On November 19, 2014, NRG filed a letter requesting that it be given the opportunity to review two consultant reports that are to be issued by the Board as part of the 2014 Natural Gas Market Review (EB-2014-0289). NRG also requested an oral hearing to argue the issues in the EB-2014-0053 proceeding.

The Board has decided to grant NRG the opportunity to review the consultant reports. The Board notes that the consultant reports will be served directly on NRG once they are released publically as part of the 2014 Natural Gas Market Review.

The Board directs NRG to file a letter, within seven days of receiving the noted reports, indicating what additional regulatory process, if any, it wishes the Board to consider in this proceeding.

Yours truly,
