Dear Ms. Walli,

**RE: Whitby Hydro Electric Corporation
2016 Cost of Service Rate Application (EB- 2015-0113)**

As per the Board's letter dated January 29th, 2015, Whitby Hydro Electric Corporation ("Whitby Hydro") is among the electricity distributors scheduled to apply for rebasing for 2016 rates. The Board's letter indicates that distributors intending to file for rates effective January 1st, 2016, should do so by April 24th, 2015.

Although Whitby Hydro is committed to submitting a complete 2016 cost of service rate application (for rates effective January 1st), it regrets to inform the Board that it will not be able to meet the April 24th, 2015 filing deadline.

Whitby Hydro continues to work diligently on its 2016 Cost of Service Rate Application and anticipates submission by May 29th, 2015.

Please feel free to contact me if you have any questions.

Regards,
