Horizon Utilities Corporation has applied to raise its electricity distribution rates.

Learn more. Have your say.

Horizon Utilities Corporation has applied to the Ontario Energy Board to increase the amount it charges by \$0.52 each month for the typical residential customer beginning on January 1, 2016. Other customers, including businesses, may be affected as well.

The requested rate increase is based on a framework approved by the Ontario Energy Board for the period 2015 to 2019 and is tied to costs for 2016 which include measures to promote efficiency.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Horizon Utilities' request. We will determine whether the rate increase is consistent with the framework previously approved by the OEB. We will also hear arguments from individuals and from groups that represent Horizon Utilities' customers. At the end of this hearing, the OEB will decide what, if any, increase will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
