**Re: OEB File Number: EB-2015-0141
Motion to Review and Vary Decision EB-2013-0416/EB-2014-0247**

The Ontario Energy Board (OEB) is in receipt of a Notice of Motion filed by Rogers Communications Canada Inc. and other parties ("the Carriers") on March 18, 2016 in which the Carriers request that part of the OEB's Procedural Order No. 7 be set aside.

The OEB is currently reviewing the Carriers' request. In the interim, the schedule for the written hearing set out in Procedural Order No. 7 is suspended until further notice. Accordingly Hydro One and all other parties are not required to file written arguments on the scheduled dates.

The OEB will provide further procedural directions in due course.

Yours truly,
