Re: Cost of Service Application for 2016 Distribution Rates – Chapleau Public Utilities Corporation File # EB-2015-0060

Dear Ms. Walli:

Chapleau Public Utilities Corporation (CPUC) wishes to advise the Ontario Energy Board that despite our best intentions we will not be able to meet the submission date of June 15, 2016 for our 2016 Distribution Cost of Service Rate Application.

CPUC intends to submit a complete application to conform to the Board's current filing requirements and seeks the Board's indulgence in permitting the Company to file its documentation at the earliest possible date.

Attached is the COS Checklist showing that significant progress has been made and now we require finalizing the written portion for information/explanations/comparisons.

If you require additional information please do not hesitate to contact me at 705-864-0111 or our consultant, Peter Ioannou at 416-293-0235.

Respectfully submitted,

Peter Ioannou for
