LETTER OF COMMENT

Comments:

Hydro rates have already been raised twice this year; when is enough, enough!?
How can you justify over-charging Canadians for a utility services they CANNOT LIVE WITHOUT IN MODERN SOCIETY, yet have a program in place to help families who cannot afford to pay their bills!?

THIS IS REDUNDANT!

LOWER RATES = FAMILIES CAN PAY THEIR BILLS ON THEIR OWN, IN THEIR ENTIRETY.

No more government-funded program to help alleviate over-charging by a utility company.

Where is the protection for consumers versus large corporations!?
