Dear Ms. Walli:

**EB-2016-0276 - Hydro One Networks Inc. MAAD Application to Purchase all of the Issued and Outstanding Shares of Orillia Power Distribution Corporation**

Hydro One Networks Inc. ("Hydro One") has received a copy of the November 21<sup>st</sup> letter sent to the OEB by J. Mark Rodger of Borden Ladner Gervais LLP, on behalf of the City of Orillia.

Mr. Rodger's letter was sent regarding the intervention request sent on November 17, 2016 by Mr. Makuch, on behalf of Mr. Kehoe (a resident of Orillia) and on behalf of "the Orillia Water, Light and Power Commission," which was dissolved in 2000 by a City of Orillia by-law.

Hydro One is sending this letter in support of the position taken by the City of Orillia in Mr. Rodger's letter, namely an objection to the granting of any status to the dissolved Commission and objecting to the request for an oral hearing.

Hydro One has no objection to Mr. Kehoe's application for intervenor or observer status on his personal behalf.

Yours very truly,
