Dear Mr. Arnold:

**Re: London Hydro Inc.  
2017 Distribution Cost of Service Application  
Board File Number EB-2016-0091  
Request for an extension of the filing deadline for the Settlement Proposal**

The Ontario Energy Board (OEB) is in receipt of a letter dated February 8, 2017 from London Hydro Inc. (London Hydro) requesting an extension to the filing date for the Settlement Proposal as set out in Procedural Order No. 1, issued on November 25, 2016.

The OEB will grant this extension (from February 8 to February 10, 2017), with the expectation that OEB staff will file its submission on the Settlement Proposal within 5 days from when the Settlement Proposal is filed (instead of 7 days).

The OEB expects that the date of the Settlement Proposal presentation, February 16, 2017, as set out in Procedural Order No. 1, will not change.

Yours truly,
