Attn: Ms. Kirsten Walli, Board Secretary

Application File Number: **EB-2017-0069**

Intervenor Status Request

Dear Ms. Walli:

I am requesting intervenor status on behalf of my small business and as a representative/advocate for other small business owners in the Greater Niagara Chamber of Commerce and Ontario Chamber of Commerce. These organizations represent the interests of over 60,000 members across the province of Ontario.

Any application presented to the OEB may have a negative impact on rate payers, (rates and services provided), and in particular the demographic I am part of and advocate for, small business owners. I have identified application EB-2017-0069 and its outcome of particular interest to my membership/demographic.

I wish to participate orally and/or in written format.

I am also requesting to seek a cost award to compensate for time spent on reviewing and submitting interrogatories.

I look forward to your response and feedback.

Best Regards,

Chris Capredoni

President
