Dear Ms. Walli:

**Re: Sioux Lookout Hydro Inc. – 2018 Cost of Service Electricity Distribution Rate
Application EB-2017-0073 – Update to Original Application**

SLHI received a list of agreed-to application updates from OEB Staff on December 19, 2017.

SLHI accepts these updates and has two additional updates to add. The first is to Exhibit 2, page 33. In the first round of questions from OEB Staff a clarification was required. Therefore the wording in the first paragraph will be revised for clarity.

The second update not listed is to the GA Analysis Workform which was addressed in the initial questions. Therefore the GA Analysis workform will be updated to include changes discussed in question 8(b) to 8(c) of Board Staff questions.

SLHI expects to submit the updated application on or before January 12, 2018.

Sincerely,

Original Signed by
