**Subject:** EB-2017-0036

As requested, ELK Energy is clarifying that the WMP has not been charged these rate riders, and the \$6,600 under recoveries covers the entire period that the rate rider is in effect. And also the WMP load as at December 31, 2015 was 4971.7 kW and 2,761,446.91 kWh.

Thank you
