Dear Ms. Edwards:

**Re: Intervenor Cost Awards  
Hydro One Remote Communities Inc. – 2018 Rates Application  
EB-2017-0051**

The Ontario Energy Board issued its final rate order with respect to Hydro One Remote Communities Inc. 2018 rates application on April 12, 2018. The rate order required that cost eligible intervenors submit their cost claims by April 19, 2018. Despite reminders by OEB staff, Opiikapawin Services LP (OSLP) has still not filed their cost claims.

The OEB reminds OSLP that if a cost claim is not filed by May 8, 2018, the OEB will assume that there are no cost claims and accordingly will issue its decision on this matter. Your urgent attention in this matter would be appreciated.

Yours truly,
