Dear Ms. Walli,

**RE: EB-2018-0218 Hydro One Sault Ste. Marie Rate Application  
Energy Probe Request for Working Papers**

Energy Probe requests that its consultants be provided with access to the working papers Pacific Economics consultants used in preparing the report filed by OEB Staff on February 4, 2019. Access to the working papers would assist Energy Probe's consultants in the preparation of interrogatories on the Pacific Economics report.

Energy Probe has previously filed Declaration and Undertaking forms for its consultants in this proceeding and will maintain confidentiality of working papers should OEB Staff request it.

Respectfully submitted on behalf of Energy Probe.
