RE: 2021 Cost of Service Application – EB 2020-0048

Dear Ms. Long

Oshawa PUC Networks Inc (“OPUCN”) was scheduled to file a rebasing application for rates effective January 1, 2021, and had a filing date of April 30, 2020.

On April 30, 2020, the OEB granted OPUCN’s request for an extension of the filing date to June 30, 2020. On July 6, 2020, the OEB granted OPUCN’s request for an extension of the filing date to July 17, 2020.

Due to the COVID-19 pandemic, OPUCN is unable to submit the application by the revised filing date of July 17, 2020 and respectfully requests an extension until July 24, 2020 to file the 2021 application. OPUCN requests that rates may still be effective January 1, 2021.

Yours sincerely
