Dear Board Secretary:

**Re: EB-2020-0061 – Wellington North Power Cost of Service Application
Filing Extension**

Wellington North Power Inc. (WNP) is diligently preparing its Cost of Service application (case number EB-2020-0061) for electricity rates effective May 1st 2021. WNP was planning to submit its' application by the deadline date of August 31st 2020, as per the Board's letter "**Applications for 2021 Electricity Distribution Rates**" (dated November 13th 2019).

Due to the COVID-19 pandemic, WNP would like to request a filing extension to October 31st 2020 with the anticipation that rates will still be effective May 1st 2021.

Should the Board have questions regarding this matter please do not hesitate to contact me.

Yours sincerely,
