Dear Mr. Poulin:

**Re: Hydro Hawkesbury Inc. (Hydro Hawkesbury)  
Application for 2021 IRM rate application  
Ontario Energy Board File Number: EB-2020-0029**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated August 17, 2020, requesting an extension to the date for the filing of Hydro Hawkesbury's 2021 IRM rate application from August 17, 2020 to September 17, 2020. Hydro Hawkesbury requested this extension as it could not complete its internal review of Accounts 1588 and 1589 by the filing timeline due to the impact of the COVID-19 pandemic.

The OEB grants Hydro Hawkesbury's request for an extension. The OEB anticipates that the OEB decision maker hearing the application will take into consideration any COVID-19 related delays in setting the effective date for Hydro Hawkesbury's 2021 rates.

Yours truly,
