Dear Ms. Long,

Re: London Hydro IRM Application for 2021 Electricity Distribution Rates EB-2020-0038

On July 14, 2020, the Ontario Energy Board (the "OEB") issued a letter setting out the application filing deadlines for 2021 incentive rate-setting mechanism (IRM) applications under both the Price Cap IR and Annual IR Index methods. In this letter, the OEB assigned London Hydro the filing date of November 3, 2020.

London Hydro herein requests to delay filing its 2021 IRM until December 1, 2020. The purpose of this request is to allow some additional time to complete historical data extraction necessary for the completion of the application.

Should you have any questions or concerns, please do not hesitate to contact me.

Respectfully submitted,

A handwritten signature in black ink that reads "M Benum".
