Dear Mr. Soules:

**Re: Application for 2021 Electricity Rates  
OEB File No. EB-2020-0053**

This is in response to your letter of April 26, 2021 notifying the OEB that you are unable to complete Rideau St. Lawrence Distribution Inc.'s (RSL's) cost of service application for 2021 rates on time and discussed options for moving forward with OEB staff on April 23, 2021.

Due to the extenuating circumstances facing RSL and continuing impact of COVID-19, the OEB is granting approval for RSL to defer its 2021 cost of service application. If RSL intends to seek a rate adjustment for 2021, the OEB expects RSL to adhere to the Price Cap Incentive Rate-setting filing requirements for the 2021 rate year and to file by no later than May 31, 2021.

Yours truly,
