Interrogatory:

B2MLP notes that at the time of filing its Application, the OEB had not yet released the inflation factor applicable for revenue requirement applications beginning January 1, 2022. B2MLP states that it will provide an update to the revenue requirement calculation for 2022 rates once that inflation factor is released.

Please confirm that B2MLP will also update the following tables once the new inflation factor is released:

- Table 1 – 2022 Revenue Cap Index (RCI) by Component (%)
- Table 2 – 2022 Base Revenue Requirement
- Table 3 – 2022 Rates Revenue Requirement by Rate Pool
- Table 5 – Average Bill Impacts on Transmission and Distribution-Connected Customers
- Table 7 – 2022 Total Bill Impacts for Distribution-Connected Customers.

Response:

Confirmed.
