Dear Ms. Long:

**Re: Extension Request relating to proceeding EB-2021-0028  
2022 Incentive Rate setting Mechanism (IRM) Application, Halton Hills Hydro Inc.**

On July 16, 2021, the OEB issued a letter assigning Halton Hills Hydro Inc. to Tranche 2 with an October 13, 2021 filing date for its 2022 IRM application.

Due to internal staffing changes and exits, HHHI respectfully requests an extension to the filing deadline to October 26, 2021. While HHHI will be filing for rates effective May 1, 2022, HHHI will not be making any requests outside of the disposition of Group 1 deferral and variance accounts and the inflationary increase assigned, pursuant to proceeding EB-2021-0212 2022 Inflation Factor.

Sincerely,

*Tracy Rehberg-Rawlingson*
