Dear Ms. Long:

**Re: Independent Electricity System Operator
2022 Interim Usage Fees**

Pursuant to section 25(1) of *the Electricity Act*, the Independent Electricity System Operator (IESO) respectfully requests approval to charge its approved 2021 usage fees on an interim basis beginning January 1, 2022 to domestic and export consumers, until the end of the month in which the IESO's 2022 final usage fees are approved.

The IESO's approved 2021 usage fees are \$1.271/MWh for domestic customers and \$1.0943/MWh for export customers.

The IESO will file its 2022 Revenue Requirement Submission in which it will propose 2022 usage fees, after the Minister approves its 2022-2024 Business Plan.

Please contact me directly at 416-957-3594 or Devon.Huber@ieso.ca if you have any questions.

Sincerely,

Devon Huber
