Dear Mr. Benum:

**Re: London Hydro Inc. (London Hydro)  
Application for 2022 Distribution Rates  
OEB File Number: EB-2021-0041**

This letter is in response to London Hydro's letter to the Ontario Energy Board dated January 10, 2022, requesting an extension of the date for the filing of a settlement proposal from January 10, 2022 to January 24, 2022.

London Hydro states the parties require an additional two weeks to draft a complete settlement agreement.

The OEB grants London Hydro the extension. The OEB will adjust the case schedule to allow for OEB staff to file any submission on the settlement proposal by January 31, 2022. The tentative date of January 25, 2022 for London Hydro to present to the OEB any settlement proposal is cancelled.

Yours truly,

Nancy Marconi  
Acting Registrar
