Dear Ms. Marconi,

RE: London Hydro Inc. (“LHI”) – 2022 Cost of Service Application Update on Status of Settlement EB-2021-0041-

On December 3, 2021, London Hydro informed the Ontario Energy Board (“OEB”) that, as a result of the November 29-December 2, 2021 settlement conference, London Hydro and the parties are working towards filing a complete settlement agreement on all issues by January 10, 2022. On January 10, 2022, London Hydro, on behalf of all the parties, requested an extension to submit a full settlement proposal until January 24, 2022, which the OEB granted.

While the parties continue to work diligently towards the filing of a complete settlement on all issues the parties agree that some additional time is required; accordingly, London Hydro, on behalf of the parties, respectfully requests a second extension of the deadline for the filing of a settlement proposal to January 31, 2022.

Please direct any questions or correspondence in this matter to the undersigned.

Respectfully submitted,

A handwritten signature in black ink that reads "M Benum".
