Dear Mr. Benum:

**Re: London Hydro Inc. (London Hydro)
Application for 2022 Distribution Rates
OEB File Number: EB-2021-0041**

On February 22, 2022, the OEB issued its decision on several confidentiality requests made by London Hydro. In a letter dated February 23, 2022, London Hydro drew attention to a request for confidential treatment of cost information, relating to a proposed customer information system project, contained on pages 9 and 11 of a 2019 Board of Directors package that had not been addressed in the OEB's confidentiality decision. Having reviewed the information in question, the OEB finds that the information is commercially sensitive information that could adversely affect London Hydro's procurement processes if placed on the public record. London Hydro, having previously filed a redacted version of the document on the public record, shall provide an unredacted version to intervenors that have signed a Declaration and Undertaking.

Yours truly,

Nancy Marconi
Registrar
