Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Ontario Energy Board (OEB) File: EB-2022-0086
Dawn to Corunna Replacement Project
Intervention Request**

Enbridge Gas has reviewed the late intervention request letter for the above noted proceeding from IGUA, dated June 1, 2022.

Enbridge Gas has no specific objections to IGUA's request to intervene.

The Company confirms that it served Notice of Application in accordance with the instructions set out by the OEB in its April 12, 2022 Letter of Direction, which did not include any direction to serve intervenors in prior proceedings. While the OEB has directed in the past that intervenors from prior related proceedings be notified for rates related applications, it does not typically do so for Enbridge Gas facilities applications.

Please contact the undersigned if you have any questions.

Yours truly,

Adam Stiers
