Dear Ms. Marconi:

Re: EB-2022-0086 – Enbridge Gas Inc. - Dawn to Corunna Pipeline Project

I am writing on behalf of *Environmental Defence* pursuant to *Procedural Order #2* to notify Enbridge Gas of the topic areas for questioning at the technical conference.

We currently intend to ask follow-up questions on Environmental Defence interrogatories 1, 2, 10, 11, and 13. However, the questions of other intervenors may trigger additional questions during the technical conference. We do not anticipate requiring more than one hour.

Yours truly,

Kent Elson
