Dear Ms. Marconi

**RE: Bluewater Power Cost of Service Application EB-2022-0016**

---

We are writing to confirm that Bluewater Power Distribution Corporation (“Bluewater Power”) continues to work diligently on its Cost of Service Application for rates effective May 1, 2023. Unfortunately, we have determined that we will not be in a position to meet the August 31, 2022 filing deadline. As we trust the OEB can appreciate, COVID and its ongoing related impacts in the market have presented significant challenges, including the need to re-evaluate forecasts affecting this application.

Bluewater Power believes that it will be able to file its cost of service rate application with the OEB by October 31, 2022, although we will endeavor to file earlier if possible.

Please accept our apologies for any inconvenience.

Sincerely,

A handwritten signature in black ink, appearing to read "AP", is written over a light blue horizontal line.
