Dear Ms. Marconi:

**Re: Enbridge Gas Inc. Ontario Energy Board File: EB-2022-0086
Dawn to Corunna Replacement Project
Joint Letter on Status of Settlement Negotiations**

We are legal counsel for Enbridge Gas Inc. (“Enbridge Gas”) with respect to the above noted proceeding. Pursuant to the OEB’s letter dated August 26, 2022¹, below is a joint update from Enbridge Gas and the Canadian Association of Energy and Pipeline Landowner Associations and its subcommittee the Dawn Corunna Landowner Committee (“CAEPLA-DCLC”) regarding the current status of settlement negotiations.

The two parties have been proactively engaged in constructive negotiations, including a full-day meeting held on September 9th that was attended by CAEPLA-DCLC members and representatives as well as members of various Enbridge Gas business units. Settlement negotiations remain ongoing at this time. While the parties feel that progress has been made to date, additional time is still needed to complete the settlement process. The two parties will advise the OEB of the substantive outcome as soon as that process is complete.

Yours truly,

Charles Keizer
