Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Ontario Energy Board (OEB) File: EB-2022-0086
Dawn to Corunna Replacement Project
Extension Request – Reply Argument**

In its Procedural Order No. 4, dated July 26, 2022, the OEB established a procedural timeline that included a deadline for Enbridge Gas to file a written reply submission by October 4, 2022. Given the status of negotiations between Enbridge Gas and the Canadian Association of Energy and Pipeline Landowner Associations – Dawn Corunna Landowner Committee (CAEPLA-DCLC), within its Procedural Order No. 5, dated September 19, 2022, the OEB subsequently adjusted the procedural timeline to extend the deadline for OEB staff and intervenors to file their written submissions to September 23, 2022, but did not adjust the deadline for Enbridge Gas to file its written reply submission.

Enbridge Gas is pleased that the negotiations with CAEPLA-DCLC were successfully completed, pending ratification, as evidenced by the joint letter filed on September 26, 2022. Enbridge Gas subsequently received written submissions from OEB staff and 8 approved intervenors that encompass a broad range of topics and in multiple cases contain overlapping issues.

Given the magnitude of submissions received and their scope (some dealing with complex technical aspects of the record) Enbridge Gas requests an extension to the procedural timeline to permit Enbridge Gas to file its written reply submission on October 11, 2022 (recognizing that October 10, 2022 is a statutory holiday).

Enbridge Gas recognizes that its request may impact the timing of the OEB's Decision and Order on the current application.
