Dear Ms. Marconi:

**Re : Elexicon Energy Inc.  
2023 IRM Distribution Rate Application OEB File No: EB-2022-0024**

Elexicon Energy Inc. (“Elexicon”) is appreciative of the OEB’s offer of support for Elexicon to seek a short extension to respond to Environmental Defence’s late interrogatories, as set out in the OEB’s letter to Environmental Defence dated October 5, 2022.

Elexicon notes that in addition to Environmental Defence, the Consumers Council of Canada and Vulnerable Energy Consumers Coalition filed interrogatories after the September 29, 2022 deadline set in Procedural Order No 1.

Three of the seven interveners that submitted interrogatories, filed after the deadline. Based on the late filings, and the OEB’s offer of support for a short extension, Elexicon requests an extension to file all interrogatory responses by end of day October 18, 2022. Elexicon does not believe this short extension will delay the OEB proceeding.

Chief Financial Officer  
Elexicon Energy Inc.
